IE 361 Value Statement

In IE 361, student groups are judged on several criteria. We would like your input on two of the criteria:

1) Percent of Project recommendations that client will implement
2) Dollar savings (economic impact) that client will receive

Please state what you believe the economic impact of savings is from this project and the percent of the recommendations that you will implement. Thank you.

GROUP NUMBER (filled out by students): ___________________

COMPANY NAME: ________________________

ECONOMIC SAVINGS: __________________

BRIEF DESCRIPTION OF HOW ECONOMIC SAVINGS WERE CALCULATED:

_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________

PERCENT OF RECOMMENDATIONS THAT WILL BE IMPLEMENTED: ______________________
