

2ND MIDWEST STATISTICAL MACHINE LEARNING COLLOQUIUM

IOWA STATE UNIVERSITY | AMES IOWA | MAY 13, 2019

This is a one-day regional meeting of statisticians, engineers, computer scientists, mathematicians, and practitioners interested in the theory and applications of Statistical Machine Learning. The purpose of the meeting is to bring together a diverse set of researchers and practitioners from multiple disciplines to discuss current motivating problems and methodological advances in theory-based machine learning.

This 2019 Colloquium is being organized by the Iowa State University Departments of Industrial & Manufacturing Systems Engineering and of Statistics and will take place **Monday, May 13, on the ISU campus in Ames, Iowa.**

The Colloquium Website is at: <https://register.extension.iastate.edu/msmlc/about>

**Presenting Sponsor:
Principal Financial Group**

We expect to offer deep registration discounts for poster presenters and students (pending funding).
