

Social Sciences and Humanities (SSH) Electives

The Industrial Engineering program has created an approved selection of Social Science and Humanities (SSH) courses for students to choose from to meet the 12 credits required for graduation, as follows:

Students must choose SSH courses from at least 2 different programs.

Unless courses are listed as exclusions, any 3+ credit (lecture) course can be chosen from the list of programs below, **excluding any lab credits, seminar, independent study, orientation, study abroad, or capstone courses.**

In addition, students can choose any 3+ credit (lecture) course from the approved ***U.S. Cultures and Communities Courses*** required by ISU, located at: <https://www.registrar.iastate.edu/students/div-ip-guide/usdiversity-courses> with the exception of MGMT 4720, which is available to take as an IE Program Elective, also **excluding any lab credits, seminar, independent study, orientation, study abroad, or capstone courses.**

In addition, students can choose any 3+ credit (lecture) course from the approved ***International Perspectives Courses*** required by ISU, located at <https://www.registrar.iastate.edu/students/div-ip-guide/IntlPerspectives-current>, **excluding any lab credits, seminar, independent study, orientation, study abroad, or capstone courses.**
